VILLA MAYA

ASPEN DOWNTOWN, ASPEN

Villa Maya is a grand mountain lodge set among towering aspens and evergreens on a quiet street steps from downtown Aspen. Chic restaurants, designer boutiques and lively apres-ski are at guests' fingertips, with the Hotel Jerome a short stroll away. Embrace the exhilarating pace of Aspen living, then retreat to this secluded haven with sweeping views of Aspen Mountain.

Interiors present a glorious fusion of rustic mountain lodge character and refined elegance, with soaring vaulted ceilings, hand-hewn timber beams and wide-plank floors. The great room centers on a towering double-sided stone fireplace beneath a wrought-iron chandelier, where plush cream sofas face arched windows framing the mountains. On the other side of the hearth, a dining area enjoys the same fireside warmth and forest views. The kitchen features crisp white cabinetry, a generous island and a professional range beneath a skylight. Five bedrooms accommodate ten guests in comfort and discretion, the primary suite featuring a carved four-poster bed and French doors opening onto a private balcony. A bar with carved wood detailing and wine storage, a vibrant red home office and a sound system complete the roster of amenities.

Villa Maya's terraces command majestic views of Aspen Mountain, framed by the surrounding aspen grove. Sun loungers invite lazy summer afternoons, while a BBQ and patio set the scene for outdoor feasts beneath the open sky. Whether returning from the slopes or the trails, guests will find this Aspen luxury vacation rental to be a peaceful sanctuary in every season.
