VILLA LA PLAGE

LOS CAJUILES, CASA DE CAMPO

Villa La Plage is a veritable highlight of Casa de Campo's exclusive seafront estates. This palatial beachfront residence is perfected in luxury island living, its palapa thatched roofs perfectly embedded in stunning palm tree environs. A personal paradise like no other, the villa offers otherworldly calm and discretion. Its property stretches to incorporate some of the Dominican's most sublime stretch of private white sand beach while remaining in proximity to world-class resort amenities and recreation.

A palatial triple-height great room abounds with regal Southeast Asian exoticism. Soaring vaulted ceilings are underscored by an artfully exposed beam, a ribbon of clerestory windows sustaining an exquisite sense of permeability with the jungle exteriors. Wood woven accents frame oversized glass walls, foldable wood shutters redefining indoor-outdoor luxury living. Gorgeous Balinese-inspired furnishings teem with oriental opulence, light plush textiles emphasizing a glorious sense of airiness and stature. Villa La Plage presents the ultimate merger of beachside romanticism and dynastic elegance, comfort, and prestige across its sumptuous nine ensuite bedrooms, accomodating twenty guests. An expansive commercial kitchen elevates gastronomic experiences to all new heights, leaving plenty of options for the most lavish dining affairs. This estate brims with versatile lodging options, the bedroom pavilions are configured with two master suites, four guest suites, and spacious children's bedrooms outfitted with board games and entertainment consoles.

The villa's resort-like grounds entail over two acres of tropical paradise. The home's extraordinary grounds are fit to host hundreds of guests with expansive palapa shaded verandas, gorgeous alfresco, lounge, and sunbathing spaces. Towering palms embrace a verdant lawn along the home's serene private bay. Top-notch amenities include a swimming pool, gym, basketball, and volleyball court.
