VILLA CASSANDRA

CAPO FERRO, SARDINIA

Villa Cassandra is an exquisite seafront estate perched on the granite headland of Capo Ferro, gazing across sapphire waters. Within a gated enclave framed by fragrant Mediterranean macchia, the villa enjoys its own boat dock, with the glamorous marina and boutiques of Porto Cervo just minutes away. This Sardinia luxury vacation rental offers headfirst immersion into the sun-drenched glamor of the Costa Smeralda.

Interiors present a sculptural dialogue between Mediterranean organic architecture and contemporary refinement, where curving whitewashed walls, raw granite and natural timber flow into one another. Sculpted staircases and hidden alcoves lend the home an artful, gallery-like quality. The living room invites lingering on plush cream sofas beside leather lounge chairs, as floor-to-ceiling glass frames the shimmering bay. A long dining table faces the sea beside a statement blue armchair, while the kitchen beneath a skylit oculus features a pink stone island and bar seating. The villa offers six bedrooms accommodating 12 guests in utmost comfort and discretion, softened by curved niches and porthole windows. Bathrooms showcase hand-carved stone basins and brushed brass fixtures. A game room, a fitness room and wine storage complete the roster of amenities.

Villa Cassandra comes to its fullest expression outdoors, where a lagoon-style infinity pool with a shallow entry curves among granite boulders above the sea. Timber pergolas shade terraces for al fresco dining and lounging, while a pool bar and BBQ set the scene for sun-drenched afternoons. Mediterranean gardens descend toward the water and the private boat dock, the perfect starting point for exploring hidden coves along the coast.
