# VILLA MELISSA

CANGGU, BALI

Villa Melissa is an elegant beachfront holiday retreat tucked in a peaceful area of Canggu. It boasts lush rice fields, serene beaches, and tropical greens. It is one of the five exclusive Pantai Lima Estate villas and is just a 20-minute drive away from the shopping district of Seminyak.

The entrance of the villa is stunning with a long, covered pathway leading past the garden bungalows into the open-plan living pavilion. The living area has a high alang-alang roof with a lovely designer teak wood lamp. Sliding wooden doors open to the dining area with a teak wooden table good for up to 16 people and a bar-lounge. Two staircases lead to a mezzanine area with a great view. There are five spacious and opulent bedrooms in the villa. The master suite is connected to the living area and has access to a private veranda and has an ensuite bathroom. Two of the bedrooms are in the garden bungalows and the other two are on the mezzanine floor. All of these bedrooms feature comfortable beds, TVs and ensuite bathrooms.

Outside there are two chlorine-free pools, an infinity pool and a wading pool for toddlers and infants. Guests can also sunbathe on the loungers by the pool or just chill out on the roofed gazebos.

## BALI

### CANGGU

Bali evokes mythical associations of crystalline waters, ancient pagodas shrouded in mist, and verdant foliage awash with intoxicating fragrance. Lauded as the ultimate sun and sand destination, the Island retains a rare exoticism that never ceases to dazzle and inspire intrigue. This destination has developed a unique brand of luxury living, fusing deluxe amenities with eco-consciousness. Bali's mere mention evokes a unique blend of traditional Javanese and romantic architecture, potent with the most aspirational associations. A lofty moniker as the "Island of the Gods" is no understatement upon witnessing its ethereal white sand beaches, enchanting rice fields, and epic volcanic peaks. A single destination with many faces, Seminyak is a shopper's paradise, Kerobokan boasts superb gastronomy, Legian brings the nightlife, and Canggu delivers all in a neat bundle.
