NIKOI ISLAND

NIKOI ISLAND, PACIFIC OCEAN ISLANDS

Nikoi Island is an astounding paradise immersed in some of the South China sea's most enchanting ecosystems. This serene speck is poised between Indonesia and Singapore, offering an accounting fifteen hectares of paradise for guests to discover. Spanning white sandy beaches and coral reefs of spectacular color with a coastline studded with magnificent white granite boulders that seemingly defy gravity. Nikoi offers an intimacy and plenty of unique natural wonders that place it in a league of its own.

Perfected in the art of barefoot luxury, each one, two, and three-bedroom residence exhibits exquisite interiors offering the pinnacle of beach-chic rusticism. Authentic stilted beach homes are handcrafted from driftwood and authentic Alang alang thatched grass roofs. Glorious organic textures vacillate between rough and smooth, seaswept natural wood accents and bound beam accents complimenting opulent louvered panels. Natural beams, exotic woods, and bamboo accents enclose dreamy living spaces perpetually wafter by the refreshing sea breeze and sweet tropical fragrance. An uncanny naturalist character runs throughout the lavish living spaces, each estate crafted from local materials. Privacy is guaranteed with all accommodation generously spaced out over a 5-hectare site on Nikoi's western coast.

A gorgeous mix of luxury and seaswept romanticism, this secluded islet places the bounties of the Java Sea on full display. Nikoi offers extensive health and wellness facilities, gastronomic experiences, recreation facilities, and water toys beckoning nautical fun. Excellent resort facilities render this remote Island a veritable garden of Eden. Awe-inspiring natural majesty fuses with world-class amenities, including glamorous infinity pools and a tennis facility.
