CASA ROMA

COSTA CAREYES, PUERTO VALLARTA

Casa Roma is a gorgeous luxury residence embraced by terraced gardens and extraordinary Puerto Vallarta vistas. Lush verdant foliage, aromatic groves, and far-reaching views curate a boundless sense of space, a picture-perfect tropical property. Casa Roma's dramatic setting is of unparalleled natural beauty, offering far more than a luxury retreat but an experience of a lifetime.

Dazzling interiors present a fusion of pastoral minimalism and contemporary elegance. Soothing eggshell and plaster-finished interiors dazzle in the generous midday sun, imbuing an ethereal glow to the free-flowing common spaces. Disrupting the distinction between indoor and outdoor living, open-ended living pavilions incorporate unobstructed sea vistas. Gorgeous tangerine trim runs the length of the sculptural common areas, while spellbinding natural wood pillars support a grand palapa. A delectable sense of organicism and Latin color curate stunning living spaces graced with a laidback and organic ambiance. Sparsely yet very well appointed, the free-flowing great room seamlessly melds the living and dining area. This revered Puerto Vallarta luxury vacation rental features eight spacious bedrooms offering ultra-comfortable lodging options accommodating sixteen guests. Top-of-the-line highlights include a Morrocan-styled media room, a sauna with a massage room, and a private gym.

Casa Roma comes to its fullest expression with its gorgeous outdoor amenities. The exteriors flaunt an exceptional heated infinity pool embraced by sunbeds, an outdoor jacuzzi, and a pool bar outfitted with karaoke, offering a fantastic venue for spontaneity and entertaining. A triumph of design, comfort, and convenience, this architectural masterwork is a gem of the Puerto Vallarta luxury vacation rental market.
