CASA DE CASAS

LA PUNTA ESTATES, PUNTA MITA

Casa de Casas is a refined beachfront residence in Punta Mita, set within the elite La Punta Estates enclave at the tip of the peninsula. This luxury oceanfront retreat is situated in a fully gated community, where expansive grounds, panoramic sea views, and traditional Mexican architectural elements define its character. Designed with handcrafted stonework, custom wood detailing, and a striking palapa roof, the villa offers a timeless setting enriched by privacy, space, and access to world-class coastal amenities.

The living areas are warm and inviting, featuring open layouts, handcrafted wood accents, and seamless transitions to outdoor terraces overlooking the ocean. The kitchen includes both a fully equipped industrial space and a show kitchen with breakfast bar, complemented by indoor and alfresco dining areas designed for both formal gatherings and relaxed meals. The villa offers seven bedrooms, each with an en-suite bathroom, all styled with rich textures, custom furnishings, and luxurious linens. The sleeping configuration includes multiple California king suites, a king bedroom, and family-style accommodations with twin beds and additional bedding options ideal for children. Amenities include reduced mobility access, a fully equipped gym, a massage room with a steam room, and a dedicated office space.

The exterior unfolds across expansive oceanfront grounds, where a large heated infinity pool with a variety of pool entertainment toys and landscaped gardens stretch toward the shoreline. Multiple terraces, a palapa dining area, an outdoor grill, and a fire pit create inviting spaces for relaxation and entertaining. The setting is complemented by access to nearby beach clubs, golf courses, and water activities, enhanced by the exclusive privileges of the Punta Mita Premier Golf Membership, which allows guests to experience world-class fairways, private club facilities, and the exceptional lifestyle for which Punta Mita is celebrated.
