VILLA SA SARRITTA

PORTO CERVO, SARDINIA

Villa Sa Sarritta is a glorious contemporary estate graciously embedded within Sardinia's rugged terrain. This expansive property fuses a bold vision of Mediterranean luxury living with the spellbinding beauty of the Island's majestic mountains and undulating hillsides.

A master of impressions, guests are welcomed by a spacious, breezy living area outfitted with thoroughly modern low-profile furnishings. Sliding glass doors on either side of the great room animate the exquisite tile flooring, glass console tables, and silver accent detailing. A space of exceptional sophistication and minimalist sensibilities, the home's limited yet soothing palette of white, light timber, beige, and grey, curates a distinctly relaxing atmosphere. A triumph of form and function, Villa Sa Sarritta is ideally suited for a lavish entertaining or impromptu celebration, with a showstopping commercial-grade kitchen elevating gastronomic experiences to vertiginous heights. Each of the seven sumptuous bedrooms is individually designed, flaunting a distinct gradient of Italian elegance yet uniform in a bold vision of twenty-first-century dolce vita living.

Refreshed by the soothing waters of the pool and enveloped by the balmy Tyrrhenian trade winds, Sa Sarrita's grounds deliver a delectable sensory experience. Embraced by lush foliage and far-reaching views, the outdoors presents the epitome of cloud nine living. A meandering stone walk path navigating across the pool deck provides a lovely contrast to the home's linear structure. There are three covered parking places available for ultimate convenience.
