VILLA LA BERGERIE

LES PARCS, ST-TROPEZ

Villa La Bergerie is an exceptional estate set within the highly exclusive Les Parcs enclave of Saint-Tropez, where refined coastal living meets serene Mediterranean beauty. Comprising three independent villas, the estate is enveloped by extraordinary calm and offers panoramic vistas across the shimmering bay.

Striking interiors are defined by a seamless fusion of industrial-chic character and understated haute couture elegance, expressing a refined vision of luxurious living. The grand living room unfolds within vast vaulted volumes, where floor-to-ceiling glass dissolves boundaries between interior and horizon, filling the space with natural light. A monochrome palette of whites and greys is softened by earthy tones, organic textures, and sun-washed timber accents, creating a calm yet sculptural atmosphere. A dramatic double-sided fireplace elegantly divides the expansive open-plan layout while preserving its airy flow, complemented by a sophisticated ten-seat dining area designed for elevated entertaining. A highly streamlined gourmet kitchen anchors the social core of the estate, appointed with bespoke cabinetry, premium appliances, and a generous central island suited to refined culinary preparation. Across the three villas, accommodation is thoughtfully arranged into 12 exquisite bedrooms, each designed to ensure privacy, comfort, and autonomy, reflecting the estate's emphasis on discreet luxury and harmonious spatial distribution.

The exterior unfolds into impeccably landscaped lawns and lush Mediterranean gardens that extend toward uninterrupted sea panoramas. Two swimming pools offer serene points of refreshment beneath the Saint-Tropez sun, surrounded by elegant loungers and shaded relaxation areas. The atmosphere is enriched by the scent of pine and coastal flora, while gentle sea breezes and cicada song complete the sensory experience of this remarkable Riviera retreat.
