# VILLA SAKURA

SA CARROCA, IBIZA

Villa Sakura is an astounding residence blending quintessential Balearic country charm and contemporary chic refinement. Revered positioning atop a commanding hilltop, perched over the Island's Southwestern corner, delivers unmatched sea vistas. Unobstructed panoramas of the glittering Mediterranean, Salinas, Formentera, and Dalt Vila, make for unforgettable sunset scenes each evening.

Spellbinding radiant white interiors simulate the prestige and sophistication of the world's premier post-modern art galleries. Playful sculptures and interactive pieces brim with verve and color, mitigating the cool austerity of the atrium. A gorgeous multi-level great room abounds with levity and open concept breeziness, oversized paneled glass walls bringing the lush outdoors inside. Pure and crisp walls offer the ultimate canvas for a host of one-of-a-kind furnishings and decor elements speaking to the pinnacle of contemporary chic design. Ultra-plush velour sectionals, sofas, and an ottoman dazzle in azure blue, offering an exceptional entertaining venue within easy reach of Villa's gorgeous outdoor deck space. Scintillating silver accents, lustrous lacquer wood finishes, and svelte internal glass walls emanate an impeccable aura of prestige and refinement. Six out of the seven bedrooms share vertiginous views over the sea in distinctly furnished chambers appointed to the highest aesthetic standards.

Exceptional exteriors span beautifully maintained, lush gardens, elegantly illuminated at night. Epic views are paired with intimate green spaces and dedicated chillout zones ideal for the whole family. A luxurious pool with unprecedented views and a children's play area, and an outdoor dining area with a pizza oven offers all the ingredients of an unforgettable afternoon.

## IBIZA

SA CARROCA

Ibiza is one of the Balearic Islands, a Spanish archipelago in the Mediterranean Sea; it has been touted as the world's utopia and will take anyone's breath away. The island is full of surprises and contrasts, from the Platja d'en Bossa lined with hotels, bars, and shops to the sandy coves nestled behind pine-clad coastal hills. Internationally renowned for the legendary nightlife of Ibiza Town and Sant Antoni, major European clubs have their summer outposts here. Not to be overshadowed by its boisterous nightlife, Ibiza is also home to quaint windswept villages, yoga retreats, and pristine beaches. Ibiza has some of the most jaw-dropping beaches in the world, its own salt flats, and is home to Es Vedra, the third most magnetic spot on earth. Everyone should visit this little gem at least once.
