## VILLA INGA

KOUNOUPAS, MYKONOS

Villa Inga is a striking estate gorgeously embedded into Mykonos' rocky topography. Supremely secluded and luxurious, this property is moments away from civilization and world-famed sandy beaches. Claiming nearly ten acres of terrain, Inga offers unmatched seclusion, allowing residents to fully absorb otherworldly tranquility and majestic Aegean vistas. A dramatic hilltop perch delivers vertiginous vistas over the Mykonian coastline rendering each sunrise and sunset scene extraordinary.

Glorious interiors present a lovely fusion of Cycladic authenticity and seaswept romanticism. A traditional design with a genuine vibe is smartly contrasted by a symphony of modern furnishing and amenities, allowing a discrete elegance to shine through an overall informal atmosphere. Rounded whitewashed interiors curate a serenely soft ambiance, seemingly weathered by the elements. Ultra plush low, profile furnishings evoke a glorious maritime ambiance, doused in navy blue, crisp linen, and basalt tones. Natural wood exposed beams enhance Villa Inga's distinctly organic atmosphere, while gallery lighting illuminates a set of gorgeously placed art installations. This Mykonian Villa's many common areas flaunt a unique dimension of rural romanticism and nautical charm. Iron-wrought elements, terracotta pots, and an integrated cliff face impart a bohemian naturalism to the luxury estate. This captivating retreat offers nine bedrooms and nine bathrooms, accommodating eighteen guests in total comfort, discretion, and elegance. All spaces are perfectly fit for comfort and entertainment. Younger guests will be particularly drawn to the designated playroom while the hammam thrusts adults into a world of unadulterated bodily bliss.

Villa Inga features glorious alfresco spaces entailing two lavish swimming pools and five romantic alfresco dining areas. A wealth of shaded and unshaded deck spaces offers no vantage point unexplored in soaking in the mesmerizing sun and the generous Hellenic sun. Meander past blooming gardens to a private helipad and onsite tennis court, offering immeasurable options for luxuriant adventures.

## MYKONOS

### KOUNOUPAS

Mykonos delivers a cosmopolitan and worldly atmosphere as a coveted summer destination with the seaside serenity of pristine, sandy beaches. Famous for its minimal Cycladic architecture, Mykonos is full of traditional whitewashed houses and is home to Greece's iconic blue-domed church. However, the island's trademark is the beautiful authentic windmills in front of Little Venice, where you can enjoy a magical sunset and capture the colorful light washing over the island's main town, Chora. Being in the center of the Cyclades group, Mykonos is the most prominent for its cosmopolitan atmosphere and vivid nightlife. It's widely regarded as the "Ibiza of Greece". Chora, the island's main town, serves as its beating heart. Awarded restaurants, designer boutiques, and top clubs bedeck its cobbled streets.
