VILLA POLLY

PLAYACAR, PLAYA DEL CARMEN

Villa Polly is full of light and space with multiple living areas, a gourmet kitchen, and much more to enjoy on holiday in Mexico. The villa has a privileged location. It is just a few minutes walking distance to the beach and is also very close to downtown Playa del Carmen. A relaxing 10 to 15 minute walk will take you to the heart of playa where you will find shopping, dining, and entertainment.

A wide front door swings open to its great room, an expansive area that creates the illusion of being outdoors by means of its interior garden, high ceiling, and curved glass wall. Windows cover the entire side of the room. The dining room has its own set of ceiling-to-floor windows and a dining table that sits up to 10 people. The villa offers 5 bedrooms and 6 bathrooms.

Perched at the end of the street with its massive half turret and cubist pop-art exterior, this house is more like a modern castle than a villa, complete with a moat-like swimming pool and wide lawn on its garden side.
