## YACHT ANYPA 98

MOTOR 60-100FT, YACHTS

Yacht Anypa 98 was built by Benetti in 2003 and refitted in 2014. Previously named Tradition, her exterior styling is by Stefano Righini while Zuretti's work is behind her contemporary interiors. She has a cruising speed of 12 knots, a top speed of 18 knots, and has a range of 2,300 nautical miles. Her stabilizers ensure a smooth experience on board.

The salon and dining feature an open plan that incorporates plus seating, a coffee table, entertainment systems aft, and formal dining table at fore. Rich, dark wood panels blend with light pastels and neutral tones to create an elegant ambiance, while panoramic windows offer generous natural light and sweeping views. Next from the salon is the full-beam master stateroom with a center-lined and forward-facing king size bed surrounded by windows, and a large tub en suite. Below decks are the VIP cabin and 2 twin cabins, all with private en suite facilities. Anypa's tri-deck design features plentiful exterior living spaces ideal for relaxation or entertaining. The aft deck, adjacent to the salon, offers shaded alfresco dining with seating. The upper deck features an expansive teak area with another alfresco option complete with seating, wet bar, BBQ, and partial shade. The top deck has a deluxe jacuzzi tub, chaise lounges, and seating perfect for taking in spectacular views. Air conditioning, WiFi, TV, and karaoke round out the other creature comforts she provides. She accommodates a crew of 5 to help ensure a relaxed and comfortable luxury charter experience.

For watersports, her recreation facilities include a water ski, wakeboard, 2 donuts, a 3 person banana, a jet ski, a tender, and snorkeling equipment. Yacht Anypa 98 is a superbly appointed and fully featured luxury yacht that never fails to disappoint.
