YACHT JEMS 144

MOTOR 100-150FT, YACHTS

Yacht Jems 144 is an exceptional vessel built-in 2009 from the famed Dutch Shipyards of Heesen. Exceptional performances place this behemoth of luxury in a category with the very best, featuring an impressive top speed of 25 knots. Striking contemporary interiors and a myriad of water toys promise an unforgettable nautical adventure in utmost style and comfort.

Ultra sleek interiors abound with a sophisticated cosmopolitan design direction, with oversized postmodern artwork and sumptuous low-profile seating arrangements. Jems accommodates up to ten guests between five spacious suites. Versatile configurations offer endless lodging versatility, with one suite convertible for families traveling together. Her distinctive design is flooded with natural light, highlighting the choice of bright colors with neutral furnishings. Thoroughly contemporary, the yacht also has all the latest audio-visual equipment, including an outdoor cinema screen. Glamorous LED lighting sets the scene for a lavish celebration, a corner cocktail bar, a lovely addition to the chic ambiance.

Offering an effectively endless repertoire of leisure and recreation options on the high seas, Jems offers an expansive roster of water toys. From Jet skies, Seabobs, wind surfboards, inflatables, there is no end in sight if guests seek open water adventure. A state-of-the-art gym allows passengers to continue with the exercise regimens of terra firma. With a range of 1,000 nautical miles, Jems is as lavish as it is ideal for exploration and cruising entire coastlines.
