VILLA DEI FISICI

POSITANO, AMALFI COAST

Villa dei Fisici is a captivating coral-hued palazzo cascading down the cliffs of Positano, its ivy-draped loggias gazing over the town's pastel houses to the glittering Tyrrhenian Sea. Set within a gated hillside estate framed by the Lattari Mountains, the villa enjoys utmost privacy, moments from Positano's chic boutiques, beach clubs and celebrated restaurants. This Amalfi Coast luxury vacation rental offers headfirst immersion into la dolce vita at its most enchanting.

Interiors present a sumptuous celebration of Neapolitan Baroque splendor, with hand-painted frescoed ceilings, gilded mirrors and Murano glass chandeliers above terracotta and majolica floors. French doors open throughout onto terraces and balconies, inviting the sea breeze indoors. The salon unfolds beneath graceful arches, where plush sofas and an arched window frame sweeping views of Positano. A formal dining room with magenta velvet chairs sets the scene for elegant feasts, complemented by a fireplace for cooler evenings. Spanning 8,073 sq.ft., the villa offers seven bedrooms accommodating fourteen guests in utmost comfort and discretion, each crowned by an ornately carved, gilded headboard in jewel-toned silk. Bathrooms dazzle in vibrant hand-painted Vietri tiles of sunflower yellow, cobalt and emerald. Dedicated staff quarters ensure seamless, discreet service throughout the stay.

Villa dei Fisici comes to its fullest expression outdoors, where a heated pool surrounded by citrus trees and sun loungers gazes across the bay. Umbrella-shaded terraces host al fresco dining with breathtaking views of Positano, while an outdoor kitchen, BBQ and pool bar set the scene for long Mediterranean afternoons. Terraced Mediterranean gardens and winding stone stairways reveal secluded corners, perfect for a quiet aperitivo as the sun sets over the sea.
