VILLA RONDINAIA

RAVELLO, AMALFI COAST

Villa Rondinaia is a gorgeous historic residence embraced by terraced gardens and extraordinary Gulf of Salerno vistas. This exquisite luxury vacation rental is spread across a natural park of over six acres of majestic coastal terrain. The property's dramatic setting embedded in a rock face is of unparalleled natural beauty, Rondinaia decidedly offering far more than a luxury retreat, but an experience of a lifetime.

Gorgeous interiors abound with historical intrigue across interiors restored yet allegiant to the structure's original integrity. Stately interiors abound with nineteenth-century aristocratic prestige with exquisite plaster finishes, finely arched ceilings, and regal stone fireplaces. Lovingly furbished period furniture dazzle in late Renaissance opulence. Each piece of decor speaks to a delectable sense of Italianicity, demonstrating an incredible breadth of regional craftsmanship traditions. Local artisans handcrafted nearly all the furnishings, integrating seamlessly with timeless antiques, including the gold-plated doorknobs, goldsmith cabinet doors, and Murano glass lamps. Neoclassical statuettes, busts, and contemporary Italian masterpieces belonging to the owner's private art collection merge with spellbinding results. Six glorious ensuite bedrooms accommodate twelve guests with the utmost comfort and discretion. Each is graced with Venetian wall lamps, minibars, safes, chromotherapy showers, and bathrooms on par with the finest five-star establishments. All rooms have extraordinary views enjoyed from the comfort of panoramic terraces and verandas.

Astounding exteriors offer an enormous private pool, set on a marble-paved terrace, presenting the ultimate respite from the midday heat. This stunning Amalfi coast vacation rental is dotted with aromatic Mediterranean flora, meandering pathways, flower-entangled pergolas, and fine neoclassical sculpture. Resurrecting the elegance of the Renaissance garden, few guests have proven impervious to Rondinaia's charms.
