AMSTERDAM

OVERAMSTEL

Amsterdam is one of the greatest small cities in the world. From its canals to world-famous museums and historical sights, Amsterdam is one of the most romantic and beautiful cities in Europe. Amsterdam is also a city of tolerance and diversity. It has all the advantages of a big city: culture, nightlife, international restaurants, good transport - but is quiet, and largely thanks to its extensive canals, has a little road traffic. In Amsterdam, your destination is never far away, but get a bike for an authentic local experience. Museums are the main tourist attraction in Amsterdam including the Rijksmuseum, Van Gogh Museum and Stedelijk Museum.
