SEA VILLA

LONG BAY, ANGUILLA

Sea Villa is an exceptional beachfront estate capturing the essence of refined Caribbean living, set along one of the most coveted stretches of Long Bay. Positioned directly on a private expanse of powder-soft sand, the residence commands uninterrupted views across crystalline turquoise waters, where gentle trade winds and the rhythmic sound of the sea create an atmosphere of effortless serenity and seclusion. This distinguished retreat embodies a rare balance of natural beauty and understated sophistication, offering an elevated island experience defined by tranquility and timeless elegance.

Graceful arched openings, soaring sixteen-foot vaulted ceilings, and exposed timber beams shape interiors imbued with subtle Mediterranean influence. Sunlight pours through expansive openings, illuminating pristine whitewashed walls, luminous stone floors, and a palette of soft, sand-toned hues. Thoughtfully curated furnishings, woven textures, artisanal finishes, and tailored contemporary pieces, compose a harmonious dialogue between relaxed coastal living and refined design. The seamless indoor-outdoor flow enhances the sense of space, with airy living areas extending toward the sea through elegant doors and shuttered windows. A beautifully appointed kitchen, centered around a sculptural island and finished with premium materials, serves as both a functional and social centerpiece. Five exquisite bedrooms accommodate up to ten guests, each offering a serene sanctuary with spa-inspired en-suite bathrooms, private terraces, and garden or ocean views, while an additional cozy bedroom with a daybed, provides flexibility for younger guests.

Outdoors, an elevated terrace unfolds into a breathtaking setting framed by lush tropical greenery and sweeping ocean panoramas. The infinity-edge pool and adjoining Jacuzzi appear to merge seamlessly with the horizon, creating a striking focal point for leisure and contemplation. Elegant loungers and shaded areas invite moments of repose beneath the Caribbean sun, while nearby access to a shared tennis court enhances the villa's lifestyle offering. Sea Villa stands as a distinguished coastal sanctuary where architectural beauty, natural surroundings, and refined comfort converge in perfect harmony.
