VILLA LE BLEU

LITTLE HARBOR, ANGUILLA

Villa Le Bleu is an exquisite beachfront vacation rental belonging to the revered gated community of Little Harbour. This prestigious Anguilla luxury Villa claims over two acres of lush tropical gardens overlooking some of the island's most picturesque coastlines. Fusing spectacular views, otherworldly nature, and delectable design direction, Le Bleu is set to dazzle the most seasoned luxury adventurer.

Contemporary minimalist glamor and artful exoticism meet their apex in the seductive, brightly lit interiors. A masterwork of distilled beach refinement, aesthetically immaculate interiors harmoniously blend seaswept romanticism with timeless high culture sensibilities. Glorious oversized windows douse the living room and dining room in abundant sunlight, animating the high-end upholstery. The dining area opens onto the pool deck, offering fantastic views. Radiant whitewashed interiors are enhanced with magnificent decor and contemporary accents. All 11 bedrooms have magnificent ocean views with direct access to the surrounding gardens or terraces. Nine of the bedrooms are located in the main house, and two are in a separate cottage. This revered Anguilla beachfront rental offers a beautifully appointed separate lounge with a billiards table and a fully equipped cinema. Guests can maintain their workout routine in a fully equipped gym.

The outdoors presents a veritable garden of tropical delights teeming with extraordinary amenities and plenty of shaded and unshaded deck spaces, ideally suited for all-day recreation. Outside, guests will find two swimming pools along the spacious deck area and a beachside Jacuzzi. Built-in BBQ and shower areas are by the poolside beckon and are perfectly set for all-day and all-night recreation. Villa Le Bleu boasts a tennis court where the guests can hold competitive matches. Two small natural beaches serviced by a pavilion round off one of Anguilla's most spectacular beachfront luxury rentals.

ANGUILLA

LITTLE HARBOR

Fringed by shimmering white-sand beaches shaded by coconut palms and sea-grape trees, Anguilla is a testament to the insatiable Caribbean spirit. The island's rich and varied history dates back to settlements by the Amerindians and Arawaks. Extraordinary prehistoric rock art discovered at the Fountain Cavern National Park is a testament to Anguilla's indigenous peoples. With its 33 beaches, the island is ideal for rest and relaxation. You'll relish sipping spicy rum punches in the mid-afternoon to live reggae beats on this laid-back holiday island. Unlike its neighboring territories, Anguilla's notably flat terrain is advantageous for getting around by car, bicycle, or quad bike. Crystal-clear waters and reefs offer spectacular snorkeling, glass-bottomed kayaking, and smooth sailing to tiny islets and atolls scattered offshore.
