VILLA ALIANNA

ASPEN REMOTE, ASPEN

Villa Alianna is an immaculate contemporary chalet doused in Aspen glamor. Indulge in over four acres of pristine terrain along the majestic Roaring Forks River, minutes away from downtown amenities. A striking stone facade with buxom wood beam accents exemplifies the quintessential luxury ski chalet.

Astonishing Villa Alianna's interiors feature a stately double-story great room that supplants bay windows with stunning clerestory accents, curating an implausible sense of magnificence. A sophisticated cream color palette pops against dark wood accents and glossy natural wood console tables. Plush and homey sofas convene around a regal wood-burning fireplace. An aura of harmony and sophistication permeates the ambassadorial spaces, with a gorgeous spiral staircase accentuating an exquisite sense of verticality below a crowning faceted glass dome. Subtle neoclassical classical elements tap into timeless elegance, such as the rotunda-shaped dining room with a magnificent wine cellar perched at its head. Postmodern paintings and sculptures garnish the halls and common areas, imparting a delectable art gallery prestige to lavish trophy spaces. An ultra-modern open concept kitchen places gorgeous multi-toned lacquered wood on full display, immersing the culinary master in rich earthy hues. Offering plenty of counter space, high-end appliances, and a breakfast bar, Alianna's kitchen is a veritable showstopper fusing form and functionality. Uncanny hexagonal ceiling decoration is LED lit to perfection, creating a scintillating cosmopolitan ambiance. Villa Alianna offers six bedrooms accommodating sixteen guests in utmost comfort, discretion, and luxury, while an additional guest apartment offers maximum lodging versatility.

The captivating Aspen luxury vacation home features immaculately manicured lawns peppered with ponds and waterfalls. A zen mountain escape, there is plentiful kid-friendly recreation to choose from, including a riverside trampoline, hammock, treehouse, and stand-up paddleboards. A triumph of design, comfort, and convenience, this architectural masterwork is a gem of the Aspen luxury vacation rental market.
