VILLA ALICIA

WOODY CREEK, ASPEN

Villa Alicia is an outstanding luxury lodge perched in the awe-inspiring environs of the Aspen Valley Downs. Synonymous with exclusivity and prestige, this wondrous property is ideally suited for those seeking total immersion into the savage beauty of the Colorado Rockies. Serene and secluded, yet at moment's notice from the cosmopolitan bustle of Aspen town center, Villa Alicia dazzles far and wide.

Spellbinding interiors are a masterwork of ski-lodge romanticism and provincial charm. Soaring vaulted ceiling dimensions sculpt a grandiose and voluminous space brimming with familiarity and hominess. Elaborate exposed trusses emerge alongside ornate iron-wrought ceilings lending some European high culture intrigue to this luxuriant frontier estate. The exceptional great room is embraced by immersive floor-to-ceiling bay windows and generous clerestory accents streaming in picture-perfect pastoral scenes and radiant natural light. Old-world Americana charm abounds in this spacious free-flowing home endowed with a glorious sense of lateral and vertical dimension. Grounded by six stone brick hearths of varying sizes, Villa Alicia perfects the art of snowed-in comfort, delivering fantastic spaces for apres-ski relaxation or intimate moments with loved ones. The gourmet kitchen comes with granite countertops, a breakfast bar, and an adjoining dining area with seating for fourteen. This retreat offers eight beautifully designed bedrooms and seven-and-a-half bathrooms that may accommodate sixteen in total comfort, discretion, and luxury. A front-page-ready master bedroom enjoys a gracefully appointed spa-inspired bath, walk-in closet, and private patio. The autonomous Barnhouse ensures total autonomy and versatile lodging configuration with three-bedroom guest quarters and a kitchenette.

Villa Alicia comes to its fullest expression with its enchanting lot, complete with two private ponds, an outdoor swimming pool, and a rooftop hot tub poised over mesmerizing alpine vistas. Belonging to a revered luxury ranch community, this rental boasts vast open spaces, extensive valley views, amazing sunsets, and fabulous trails for hiking, biking, and horseback riding.

ASPEN

WOODY CREEK

Aspen has become one of the leading luxury mountain resort towns, its ethereal magnetic energy dazzling the world's elite for over three decades. The town's remote location is deep in frontier country, nearly 8,000 feet in altitude and nestled between the Rockies' Sawatch and Elk mountain ranges. The town's extensive winter recreation options, from cross-country skiing to hot air ballooning, are the perfect complement to a blossoming culinary and après-ski dining scene.
