ASPEN DOWNTOWN, ASPEN

Villa Callie is a striking contemporary retreat in the heart of Aspen, positioned just behind the iconic Hotel Jerome. This prestigious location grants immediate access to the town's finest dining, shopping, and cultural attractions, making it an exceptional choice for those who desire both privacy and convenience. The property consists of two distinct units—a four-bedroom and a two-bedroom—available together to accommodate up to 14 guests. With an architectural emphasis on clean lines and open spaces, the home is designed for those who appreciate minimalist sophistication. A seamless integration of indoor and outdoor living is achieved through expansive telescoping glass doors that frame breathtaking mountain views.

Inside, the villa exudes understated elegance with limestone floors, spa-inspired bathrooms, and a sleek Italian Boffi kitchen. The primary living area, bathed in natural light, opens to a private patio, creating an effortless flow between relaxation and entertainment. A family room with a fireplace and wet bar provides an intimate setting for gatherings, while the formal dining space is ideal for hosting refined soirees. Each of the bedrooms is designed for supreme comfort, featuring plush king-sized beds and en-suite bathrooms with double vanities, soaking tubs, and walk-in showers. A dedicated ski room and gym ensure effortless transitions between Aspen's exhilarating slopes and private wellness routines.

Outdoors, a rooftop hot tub presents a serene vantage point for admiring snow-covered peaks, while a private patio and al fresco dining area invite leisurely evenings under the Colorado sky. Whether unwinding after a day of adventure or embracing Aspen's vibrant social scene, Villa Callie epitomizes contemporary luxury in one of the world's most coveted mountain destinations.
