VILLA WILMA

EAST ASPEN, ASPEN

Villa Wilma is a stunning contemporary chalet abounding in urban chic elegance. Enviably situated, this exemplary Aspen luxury vacation rental overlooks the Roaring forks river, fully enveloped in the savage beauty of the Rocky Mountain wilderness. Panoramic river and mountain views define this glorious home fusing cosmopolitan elegance with natural immersion.

Sleek and pared down yet brimming with postmodern gusto, Villa Wilma's unique architecture is only furthered by a unique selection of color and playful decor. Double-height ceilings and floor-to-ceiling windows surround an ultra-chic sitting room plush with postmodern flair. Eclectic, funky, and modern, a linear fireplace pivots between common areas, embedded in a stone accent wall. An intuitive floor plan presents free-flowing dining, living room, and kitchen that offer access to an outdoor deck through expansive glass walls. This Aspen luxury chalet rental features a gourmet kitchen equipped with Miele appliances and a large kitchen island with a breakfast bar ideal for gastronomic exploration, casual canapes, or apres-ski cocktails. Colorful post-impressionist pieces complement mesmerizing pops of seafoam and grey, adding dynamism to Wilma's bold and eccentric interiors. Three sumptuous bedrooms double down on icy glamor, presenting a soothing and minimalist design direction conducive to the most restful mountain getaway. Plush and uncluttered, the master suite flaunts a gas fireplace, walk-in closet, steam shower, and soaking tub in the glorious ensuite. The master balcony boasts gorgeous riverfront views, with the refreshing scent of aspen trees never far from reach.

An impeccable all-season stunner, this revered Aspen luxury vacation Chalet attunes guests to the indulgence of Rocky Mountain fine living. Well-appointed outdoor furniture surrounds a firepit enveloped by romantic woodland scenes. Additional top-shelf amenities include a wet bar with a luxury wine cooler, a media room, and a two-car garage with heated driveways.

ASPEN

EAST ASPEN

Long before its reputation as a glamorous ski town for the world's jet-set, Aspen's origins trace back to the Victorian era. The town's remote location is deep in frontier country, nearly 8,000 feet in altitude and nestled between the Rockies' Sawatch and Elk mountain ranges. The town's exhaustive winter recreation options, from cross-country skiing to hot air ballooning, are the perfect counterpoint to a blossoming culinary, and apres-ski dining scene. Aspen has become one of the leading luxury mountain resort towns, its ethereal magnetic energy dazzling the world's elite for over three decades.
