HARBOUR ISLAND, BAHAMAS

The Beacon Hill Estate is an exquisite private rental offering an unparalleled escape. Prestigiously situated, it is surrounded by lush tropical foliage that paints a picture of paradise in every direction. This luxury vacation rental provides the best of both worlds: discrete and secluded yet situated just a short drive from the captivating allure of island life in Dunmore Town Center.

The Beacon Hill Estate's interiors are a masterful fusion that pays homage to the colonial past and contemporary charm. Plush sofas and chairs provide comfortable seating that contrasts beautifully with its more traditional architectural elements. The play of natural light against the wood surfaces creates an interplay of shadows and highlights, infusing the living spaces with dynamic energy. Mahogany glass sliding doors serve as elegant portals, seamlessly connecting the interior living areas of this Bahamas luxury vacation rental to the inviting expanse of the veranda. The hand-crafted kitchen's centerpiece is a stunning marble breakfast island, as much a gathering place as a functional workspace, inviting up to eight to come together and share in the delights of food, conversation, and stunning surroundings. The Beacon Hill Estate offers a sumptuous array of accommodations, with six bedrooms thoughtfully distributed across the main house, a guest house, and a charming cottage nestled on the dock.

The outdoor haven is a masterpiece of design, seamlessly blending relaxation, entertainment, and the splendor of nature. Central to this outdoor sanctuary is an exquisite outdoor pool with sparkling waters that mirror the clear Bahamian skies, creating a mesmerizing oasis. Loungers are thoughtfully positioned along the pool's edge, providing comfortable vantage points to bask in the sun's warmth and absorb the serene ambiance. The Beacon Hill Estate is a vacation rental where guests can find solace, celebrate with loved ones, and immerse themselves in the natural wonders of the Bahamas.
