CHOINI CAY

CHOINI CAY, BAHAMIAN ISLANDS

Choini Cay is an exquisite luxury island rental nestled amidst six pristine private white sand beaches, caressed by the most transparent, crystalline waters. With its significant elevation, guests are treated to breathtaking panoramic views, leaving everyone in awe. This oasis' nature thrives amid a vibrant and abundant ecosystem, where the wonders of the natural world are on full display.

The heart of this enchanting residence consists of five distinct bedroom suites, each bearing the name of a native tropical bird and paying homage to the luxury island's rich biodiversity. These structures are thoughtfully interconnected through charming thatch-covered walkways, adorned with the gentle flicker of candle-lit lanterns and meticulously manicured foliage. The central Balinese structure stands as the core of this exquisite retreat, artfully designed to serve as the main living space. Floor-to-ceiling glass doors gracefully open onto a shaded patio, seamlessly merging the interior and exterior. This harmonious fusion of areas creates an inviting indoor/outdoor gathering place, offering the perfect setting to bask in the luxury island's natural splendor while enjoying the comfort and luxury of this magnificent home. This exceptional island retreat graciously accommodates ten guests with five elegantly appointed suites. Among these, one bedroom stands out, offering the convenience of additional bunk beds, a perfect solution for families seeking space and togetherness.

For those seeking a more elevated perspective, a cliffside deck provides a breathtaking vantage point, offering a front-row seat to the ever-changing canvas of the sea. Guests may enjoy dining al fresco beneath the sparkling stars at a spacious wooden table on the covered lanai, where the soothing sea breeze and the gentle rustle of palm fronds provide the perfect ambiance for a memorable meal. Choini Cay's private marina is a serene haven, providing the ideal setting for unforgettable moments and the opportunity to explore the wonders of the sea.
