Little Pipe Cay is a rare gem, a true paradise in the Exuma Cay Island Chain of the Bahamas. This magnificent self-sufficient thirty-eight-acre private island retreat is the most lustrous jewel in the crown of the Exumas. World's apart, yet deceptively close, Little Pipe Cay is approximately 70 miles from Nassau, 270 miles from Miami, and 270 miles from Palm Beach. Perched just beyond Exuma Cay Land and Sea Park, luxury travelers may reach this beautiful Island via a quick journey from Staniel Cay.

The private Island is lauded for its ethereal natural bounties from its turquoise crystalline waters, verdant meadows, lush tropical jungles, and endless powdery white beaches and sandbars. Spectacular beauty is paired with an endless roster of activities and a smattering of gorgeous accommodations perfected in the art of laidback luxury. Five exemplary estates span stately plantation-style estates brimming with colonial prestige to stylish beach bungalows. Each residence brims with familiarity and comfort in lustrous common areas wafted by the fragrant sea breeze. Five serene retreats are fully autonomous with fully equipped kitchens and living spaces, assuring each guest the utmost discretion and living space when needed. Spanning eleven fantastic ensuites in total, bedrooms are configured with three in the crowning Manor House, while the Harbour Master, Beach Cottage, Buttonwood, and Sea Grape estates all offer intimate getaways with two bedrooms each. A total of twenty-two discerning guests are accommodated in utmost comfort and luxury.

Little Pipe Cay is undoubtedly the purest expression of the quintessential tropical Island fantasy. Its supernatural beauty has been known to ease guests into the rejuvenating pace of Island living, offering unfettered freedom to revel in the glories of sun, sand, and water. Top-notch amenities include private helicopter access, transparent bottom kayaks, an Olympic length freshwater pool, and blissful top-tier spas. Extensive dock frontage for any boat size promises nautical adventure, while a seaplane jetty taunts guests with vertical exploration.
