MUSHA CAY

MUSHA CAY, BAHAMIAN ISLANDS

Musha Cay is a true exotic and idyllic private island, offering the purest expression of the tropical Island fantasy. Worlds away from civilization, yet a mere hour and a half flight from Miami, this destination is as spectacular as it is accessible. This incredibly lush private Island offers a world of discovery spanning deserted beaches, dense jungle, and remote sandbars. From the guest seeking total reconnection with the elements to those anticipating nautical adventure, Musha Cay offers a unique experience assuring discretion and freedom with the six-star amenities of a full-service resort.

Five spectacular Villas make up Musha Cay, a veritable jewel of the Exuma archipelago. Ranging from stately plantation-style estates brimming with colonial prestige to stylish beach bungalows and quaint palapa thatched cottages, the Island offers a variety of authentic residences for every aesthetic sensibility. At the apex of the Island lies the crowning Highview manor spanning 10,000 sq. ft. of exceptional luxury, commanding a 360-degree view of Musha Cay and ten uninhabited neighboring islands. Home interiors are expertly appointed with globetrotting nautical artifacts and inviting open-concept spaces. Each residence brims with familiarity and comfort in lustrous common areas wafted by the fragrant sea breeze. Five serene retreats are fully autonomous with fully equipped kitchens and living spaces, assuring each guest the utmost discretion and living space when needed. Eleven exemplary bedrooms with luxuriant linens and fine toiletries accommodate twenty-two guests in maximum comfort, discretion, and elegance. Musha Cay's supernatural beauty has been known to lull guests into the rejuvenating pace of Island living.

An armada of over thirty attentive staff members, including world-class culinary masters, curate an unfettered vision of tropical island luxury. Musha Cay is an excellent choice for high-level business conferences or Board of Director meetings. Adversely, work obligations will never seem farther with the Island home to eleven neighboring Islands and forty spectacular white sand beaches.
