VILLA AMANUSA

NUSA DUA, BALI

Villa Amanusa is an outstanding residence perched along Bali's southernmost peninsula. Spellbinding natural beauty meets otherworldly serenity amongst an acre of elite terrain in the direct periphery of fantastic luxury amenities. The famed links of the Bali National Golf Club, misted by ocean spray, are nearby, while the bougainvillea-shaded streets of Nusa Dua deliver plenty of action and vitality.

Spellbinding interiors present an immaculate fusion of Javanese exoticism and early-century aristocratic panache. Classically elegant interiors are embraced by elite burgundy timbers displaying gorgeous traditional moldings. A stunning selection of furnishings flaunts Raffles-style elements evoking seafaring prestige, while glimmering parquets and ultra-plush cushions make up the alluring common spaces. Villa Amanusa flaunts a stunning indoor-outdoor living philosophy attuned to the wayward and balmy tradewinds wafting through this glorious tropical retreat. Chic, refined, and attuned to the elements, this property fuses Far East dynastic prestige with the pinnacle of modern amenities. Meandering walkways navigate from lush gardens to the Main living pavilions and indulgent private suites. Six sumptuous bedrooms accommodate guests in total comfort, discretion, and luxury, with lavish spa-inspired ensuites, elite toiletries, deluxe bedding, and expansive private terraces. Completing this lavish residence is the service building which houses a stacked gourmet kitchen satiating the most demanding epicurean desires and gastronomic indulgences. Amanusa's amenities include yet are not limited to a library and home theatre, perfect for quiet nights in or downtimes between beach trips.

The commanding swimming pool lies at the heart of this dazzling luxury complex, embraced by seductive loungers and alluring sunbathing spots. A shaded living area overlooks commanding vistas over a sea of jungle treetops, while a dining pavilion accommodates up to ten for the most romantic alfresco dusk moments.
