VILLA MELISSA

CANGGU, BALI

Villa Melissa is an elegant beachfront holiday retreat tucked in a peaceful area of Canggu. It boasts lush rice fields, serene beaches, and tropical greens. It is one of the five exclusive Pantai Lima Estate villas and is just a 20-minute drive away from the shopping district of Seminyak.

The entrance of the villa is stunning with a long, covered pathway leading past the garden bungalows into the open-plan living pavilion. The living area has a high along-along roof with a lovely designer teak wood lamp. Sliding wooden doors open to the dining area with a teak wooden table good for up to 16 people and a bar-lounge. Two staircases lead to a mezzanine area with a great view. There are five spacious and opulent bedrooms in the villa. The master suite is connected to the living area and has access to a private veranda and has an ensuite bathroom. Two of the bedrooms are in the garden bungalows and the other two are on the mezzanine floor. All of these bedrooms feature comfortable beds, TVs and ensuite bathrooms.

Outside there are two chlorine-free pools, an infinity pool and a wading pool for toddlers and infants. Guests can also sunbathe on the loungers by the pool or just chill out on the roofed gazebos.
