## VILLA VIDA

CANGGU, BALI

Villa Vida is a wonderfully photogenic villa in Berawa which is the most up-and-coming area in Canggu with plenty of restaurants, coffee shops, and boutiques. It sits next to some of the best beach clubs and restaurants on the island.

This retreat boasts a minimalist design, along with its captivating choice of furniture and authentic Indonesian art. The lounge is furnished with comfortable sofas and features floor-to-ceiling windows and a fascinating collection of art pieces, including a number of authentic Balinese and Javanese antiques, which perfectly complement the minimalist theme of the villa. Adjacent to the lounge is a separate kitchen with all mod cons, including a wine cooler. A staircase from the lounge goes up to the first floor with its master bedroom and a large terrace. A second staircase leads to the roof terrace. Beyond the lounge to the left is a beautiful outdoor dining and seating area, along with one of the guest bedrooms. The other two guest bedrooms are on the right-hand side of the pool, separated from each other by a small patio garden.

The outdoor living and dining space is a real showstopper with its dark volcanic stone wall, huge tropical leaves and massive painting featuring Japanese Koi Carp. This a wonderful spot for hanging out with loved ones or for enjoying a meal at the large solid wood dining table. The 15 x 4-meter private pool has plenty of sunbeds, great for topping up your tan or enjoying a freshly made cocktail. You will also enjoy a bird's eye view of the ocean and the surrounding rice fields from the private rooftop terrace on the second floor.

## BALI

### CANGGU

Bali evokes mythical associations of crystalline waters, ancient pagodas shrouded in mist, and verdant foliage awash with intoxicating fragrance. Lauded as the ultimate sun and sand destination, the Island retains a rare exoticism that never ceases to dazzle and inspire intrigue. This destination has developed a unique brand of luxury living, fusing deluxe amenities with eco-consciousness. Bali's mere mention evokes a unique blend of traditional Javanese and romantic architecture, potent with the most aspirational associations. A lofty moniker as the "Island of the Gods" is no understatement upon witnessing its ethereal white sand beaches, enchanting rice fields, and epic volcanic peaks. A single destination with many faces, Seminyak is a shopper's paradise, Kerobokan boasts superb gastronomy, Legian brings the nightlife, and Canggu delivers all in a neat bundle.
