BARBADOS

ST. JAMES

Barbados is a gorgeous island immersed in the brilliant turquoise seas of the Lesser Antilles. Fine powdery beaches, crystalline waters, otherworldly bays, and vibrant coral life have made this luxury destination conducive to the most restful getaways. Calm coastlines and a distinctly laid-back vibe are matched by the island's gently rolling hills and serene topography. A strategic gateway to South America, this idyllic island nation is speckled with intriguing colonial architecture, with its historic Bridgetown earning a UNESCO world heritage site distinction. Stunning plantation estates straddle ethereal white sand beaches, reveling in the imperial elegance of a bygone era. An oasis of unbridled hedonism, indulge in some of the world's freshest and most exotic seafood, best paired with a frosty rum cocktail. Replete with English quirks and eccentricities from the avid tea and cricket culture, there is truly no destination quite like Barbados.
