VILLA ONYX

ST. JAMES, BARBADOS

Villa Onyx presents a striking vision of ultra-modern beach living along Barbados' most revered stretch of coastline. A wondrous architectural property, the estate's austere volumes and dynamic linear dimensions blend gorgeously with its lush tropical environs. Fragrant flora shrouds this beachfront Villa's uncanny cement and natural stone facade, extending to a divine stretch of white sands. Coveted westerly positioning and crystalline turquoise waters make up one of Barbados' most revered luxury vacation properties.

Spellbinding interiors bring the pinnacle of cosmopolitan elegance and haute couture glam to the heart of the West Indies. Sleek lines and crisp vertices sculpt ultra-streamlined and avant-garde spaces doused in a high-contrast palette of white and black. Oversized openings, precious stone flooring, and marble accent cladding make up a thoroughly modern open-concept home. Contemporary precision and designer furnishings fuse with Old-Hollywood glamor, with a gorgeous selection of black and white prints complimenting Onyx's eternal monochrome elegance. Sleek and pared down, yet bursting with personality, this vacation home is a masterwork of urban chic minimalism. A central design feature is the full-length floor-to-ceiling windows to maximize views and open fully to access the pool area. This lavish Villa serves no shortage of fantastic spaces for nocturnal entertaining, from formal dining affairs to lavish cocktail soirees. Five fantastic ensuite bedrooms accommodate guests in total comfort, discretion, and luxury. A showstopping master suite affords a second-to-no visual experience, with huge windows immersing the discerning guest in ethereal tropical vistas.

Exceptional alfresco spaces maximize interaction with the dreamy westerly-facing beach surroundings. A glamorous infinity pool deck embraced by sunloungers and shaded by soaring palms conjoins the main residence to the pavilion. A wet bar and seafront dining spaces beckon fantastic day and night entertainment opportunities while a private path navigates guests to a sublime stretch of secluded sands.

BARBADOS

ST. JAMES

Barbados is a gorgeous island immersed in the brilliant turquoise seas of the Lesser Antilles. Fine powdery beaches, crystalline waters, otherworldly bays, and vibrant coral life have made this luxury destination conducive to the most restful getaways. Calm coastlines and a distinctly laid-back vibe are matched by the island's gently rolling hills and serene topography. A strategic gateway to South America, this idyllic island nation is speckled with intriguing colonial architecture, with its historic Bridgetown earning a UNESCO world heritage site distinction. Stunning plantation estates straddle ethereal white sand beaches, reveling in the imperial elegance of a bygone era. An oasis of unbridled hedonism, indulge in some of the world's freshest and most exotic seafood, best paired with a frosty rum cocktail.
