## VILLA SEACLUSION

ST. JAMES, BARBADOS

Villa Seaclusion is a spectacular beachfront manor claiming Barbados' most coveted stretches of sand. Lush flora engulfs this colonial-style residence, claiming verdant lawns, immaculate gardens, and boundless sea vistas from its hilltop perch. A winding path navigates to ethereal beaches, making up a tropical garden of Eden.

Spellbinding interiors present a potent fusion of European prestige and tropical grandeur. A master of impressions, guests navigate through a colonnaded entryway to gorgeous common areas fusing classical grace with seaswept romanticism. Sleek lines and crisp vertices abound with modern precision sculpting free-form, open-ended parlors that disrupt the distinction between indoor and outdoor living. The estate's stunning limestone brick frame presents an exceptional canvas for ultra-plush aristocratic furnishings and tasteful decor elements. Electric blue throws and accents dazzle across elite textiles, matching the ethereal blue of the sea horizon. Billowing linen curtains dance in the sea breeze across an intuitively laid out floorplan, entailing a living room, formal dining area, media room, and lounge space complete with a glossy grand piano. A scintillating ultra-streamlined chef's kitchen offers the ultimate workspace for the culinary professional. Six outstanding, distinctly designed bedrooms flaunt a unique gradient of beachfront luxury, five of which entail private terraces and immersive Caribbean vistas. Fantastic amenities include, yet are not limited to, an in-home yoga studio and a private cocktail bar.

A colonnaded veranda offers no shortage of fantastic living spaces wafted by the sea breeze, while a wealth of private terraces afford intimate moments soaking up the sights. A stunning free-form swimming pool matches the symmetrical splendor of this palatial Villa, framing boundless sea panoramas. Serene footpaths navigate Zen gardens and reflective ponds to a private slice of sandy paradise, rounding off a sublime Barbadian luxury Vills rental.

# BARBADOS

ST. JAMES

Barbados is a gorgeous island immersed in the brilliant turquoise seas of the Lesser Antilles. Fine powdery beaches, crystalline waters, otherworldly bays, and vibrant coral life have made this luxury destination conducive to the most restful getaways. Calm coastlines and a distinctly laid-back vibe are matched by the island's gently rolling hills and serene topography. A strategic gateway to South America, this idyllic island nation is speckled with intriguing colonial architecture, with its historic Bridgetown earning a UNESCO world heritage site distinction. Stunning plantation estates straddle ethereal white sand beaches, reveling in the imperial elegance of a bygone era. An oasis of unbridled hedonism, indulge in some of the world's freshest and most exotic seafood, best paired with a frosty rum cocktail. Replete with English quirks and eccentricities from the avid tea and cricket culture, there is truly no destination quite like Barbados.
