THE GOLDEN EYE HOUSE

YALIKAVAK, BODRUM

The Golden Eye House is an exceptional seafront estate set along the crystalline shores of Bodrum, occupying a rare and privileged position within one of Turkey's most coveted coastal enclaves. Enfolded by approximately two acres of private land, this singular residence enjoys a truly unparalleled distinction—its own private shoreline and exclusive deck, a feature virtually unheard of in Yalikavak Bay. Panoramic sea views stretch endlessly across the Aegean, while the estate's direct and private access to the water defines its extraordinary appeal. Moments from the acclaimed Yalıkavak Marina, internationally celebrated for its luxury yachts, fine dining, and vibrant atmosphere—the estate balances absolute privacy with effortless access to the area's most refined offerings, making it truly one of a kind in the region.

The interiors unfold across two elegant stone houses and a connected annex, unified by a sense of refined grandeur and architectural clarity. High ceilings and expansive, wall-to-wall glass windows flood the living spaces with natural light, framing the surrounding seascape as a living artwork. Three distinct living rooms create a flow of sophisticated communal areas, each designed for luxurious living and relaxed gatherings. The kitchens are thoughtfully appointed to support both everyday comfort and elevated entertaining, while service and laundry areas ensure seamless functionality. An office space adds practicality to the residence, and the layout culminates in a total of 10 beautifully appointed bedrooms, offering generous accommodation within a setting of understated elegance.

Outdoors, The Golden Eye House reveals a series of intimate and serene spaces designed to celebrate its coastal environment. A private gated entrance leads through landscaped grounds toward the shoreline, while select bedrooms open directly onto secluded gardens or private terraces, creating tranquil retreats immersed in nature. The estate's defining feature, its private seaside and exclusive deck, offers a level of privacy and direct water access that is exceptionally rare in the region, setting it apart as one of the most exclusive waterfront properties in Bodrum.
