MOSKITO ISLANDS

Imagine a paradise where luxury meets seclusion, and billionaires like Richard Branson sail on pristine waters and trek untouched, breathtaking rainforests. This utopia, known as the British Virgin Islands (BVI), is a sought-after haven for the elite where exclusivity permeates every nook and cranny. Indeed, one of the most coveted experiences here is sailing; BVI is, after all, hailed as the "Sailing Capital of the World." Nestled in the northeastern Caribbean, the BVI comprises over 50 islands, cays, and islets, with the four larger ones - Tortola, Anegada, Virgin Gorda, and Jost Van Dyke - being the heart of this enchanting territory. Stepping into this ethereal archipelago, one is immediately captivated by its alluring landscape. Even the most seasoned travelers are in awe of its verdant rainforests, ivory beaches, and crystalline waters. They are even more impressed with the idea that luxury villas and yachts await in such untouched nature, promising an opulent time. And for those seeking ultimate seclusion, the more isolated Guana, Peter, and Necker Islands offer rustic hideaways where one can truly reconnect with the elements. The history of the BVI is as fascinating as its breathtaking landscapes.
