THE VILLAGE ESTATE MOSKITO ISLAND

MOSKITO ISLANDS, BRITISH VIRGIN ISLANDS

The Village Estate is an astounding clifftop property commanding the westerly point of Moskito island. Unparalleled ocean vistas at sunset abound from the property's elevated perch peering into the grandeur of the British Virgin Islands. This luxury vacation rental is set on nearly four acres of land, ideally suited for those seeking reconnection with the elements and total rejuvenation.

Stunning interiors showcase a fusion of twenty-first-century opulence and Island exoticism. The cottage-style structures housing the suites feature thatched roofs that blend seamlessly with the natural surroundings. Each unique living pavilion is complete with an ocean-view terrace or patio, a super king bed, and an en-suite bathroom. A tea and coffee station invites lovely colonial traditions while compact kitchenettes assure total guest autonomy. Seize the moment and celebrate with a SONOS sound system or wind down in the private living areas in the glow of a Smart TV. Along the clifftop, seven spacious separate guest cottages can be found, including the oval-shaped master bedroom and two guest rooms in the Main Pavilion. The bedroom links to a serene study on one side and a gorgeous en-suite bathroom with a breathtaking bathtub on the other. This revered Moskito Island luxury beachview rental accommodates 18 guests in utmost privacy and comfort. Visitors will enjoy the sound-proof home movie theater and fitness area while staying in the estate.

A 360-degree wraparound patio and a circular design characterize the two-story master suite, delivering sublime sunrise and sunset scenes without fail. Reenvisioning the beachview luxury vacation rental, this Moskito Island Villa features two swimming pools connected with a slide, a kitchen garden with a pizza oven, and a barbecue, perfect for organizing family activities. Large alfresco gatherings beckon at the eight-seat poolside table dining table, front row center before unforgettable dusk vistas.

BRITISH VIRGIN ISLANDS

MOSKITO ISLANDS

Imagine a paradise where luxury meets seclusion, and billionaires like Richard Branson sail on pristine waters and trek untouched, breathtaking rainforests. This utopia, known as the British Virgin Islands (BVI), is a sought-after haven for the elite where exclusivity permeates every nook and cranny. Indeed, one of the most coveted experiences here is sailing; BVI is, after all, hailed as the "Sailing Capital of the World." Nestled in the northeastern Caribbean, the BVI comprises over 50 islands, cays, and islets, with the four larger ones – Tortola, Anegada, Virgin Gorda, and Jost Van Dyke – being the heart of this enchanting territory. Stepping into this ethereal archipelago, one is immediately captivated by its alluring landscape. Even the most seasoned travelers are in awe of its verdant rainforests, ivory beaches, and crystalline waters. They are even more impressed with the idea that luxury villas and yachts await in such untouched nature, promising an opulent time. And for those seeking ultimate seclusion, the more isolated Guana, Peter, and Necker Islands offer rustic hideaways where one can truly reconnect with the elements. The history of the BVI is as fascinating as its breathtaking landscapes.
