VILLA LA DATCHA CABO

CABO SAN LUCAS, CABO

Villa La Datcha Cabo is an enchanting luxury complex perched along Central America's most beautiful stretches of coastline. An architectural masterwork of the highest order, this home decisively pushes the bounds of oceanfront luxury living. Brimming with all the prestige and glamor of the coveted gated community of Pedregal, the residence is a short car ride from downtown Cabo San Lucas. Stunning, secluded, yet moments away from premier restaurants, shopping, nightlife, and entertainment.

Palatial in scope and design, Villa La Datcha Cabo features incredibly textured interiors offering the purest expression of unadulterated Regal exoticism. Inspired by the traditional Mexican hacienda, this sensational complex appears sculpted from its majestic natural rock foundations. A delectable fusion of Moroccan, Southeast Asian, Spanish, central, and native American motifs alternate seamlessly between breathtaking common areas. Spectacular common areas and a gorgeous main foyer with arched ceilings flaunting dazzling Hispano-arabesque tessellation abound with vivacious color and maximalist excitement. Exceptionally eclectic interiors replete with globetrotting decor and dazzling artifacts present a veritable world tour across 20,000 sq. ft of unique living spaces. Each corner of the estate is witness to intricate patterns and fine craftsmanship. The floorplan includes spacious living rooms, a twenty-person dining table, and an industrial-sized kitchen with wine chillers. Across the three interconnected buildings, the complex sleeps twenty guests in ten bedrooms, two of which are master suites featuring private terraces, a fireplace, and an office.

The outdoors are just as magical, with an immense heated infinity pool overlooking Pedregal beach. Awe-inspiring resort-like exteriors present a choose-your-own-adventure of recreation options. Plentiful outdoor lounge space, beachside, deckside, or poolside, leave the prospects for soaking up the sun endless. A palapa-covered bar and grill area is a charming addition offering al fresco dining and firepit seating under an impossibly starry night sky.
