Villa Aquamarine is a gorgeous contemporary retreat commanding exceptional panorama incorporating the sea, the Alps, and the iconic lighthouse of Cap d'Antibes. Artful, chic, and modern, this dazzling estate was conceived by an acclaimed architect and decorator duo. Fusing spectacular views, otherworldly nature, and delectable design direction, Villa Aquamarine is sure to dazzle the most seasoned luxury adventurer.

Urban chic panache and high fashion prestige merge in innovative interiors that collapse the distinction between indoor and outdoor space. Spaced columns, concrete accent walls, and a glass-encased steel staircase represent the home's delectable industrial-chic flavor. The second floor presents a gorgeous, great room extending to the wrap-around terrace. The retractable corner windows enhance an incredible sense of permeability with far-reaching lush views. A fully equipped chef's kitchen featuring ultra-streamlined cabinetry flaunts exceptional Gaggenau appliances. A kitchen island and a ten-seat table accommodate casual and formal dining experiences. Step into the lap of luxury with this stunning villa, perfect for a group of ten guests. Each of the five ensuite bedrooms has been meticulously designed to offer the ultimate in comfort, with no detail overlooked. From the sumptuous furnishings to the discreet and private atmosphere, every guest will feel pampered and indulged. Additional amenities include an innovative all-glass sauna, stone shower, and wine storage, setting the scene for outstanding entertainment and relaxation opportunities.
