VILLA MARINA

ANTIBES, CANNES

Villa Marina is an exquisite Mediterranean manor doused in quintessential Rivera coastal charm. This luxury vacation rental belongs to a serene residential area facing enchanting beaches within a short promenade of Juan Les Pins. Lauded for its coveted positioning, this hillside residence towers above the umbrella pines commanding glorious bay and port town views.

Gorgeous interiors present a delectable marriage of postmodern elegance and beachy romanticism. An exceptionally airy sense of verticality defines this lavish home, with soaring vaulted ceilings underscored by buxom deep grooved beams enhancing Marina's artful sensibilities. Chic beige interiors offer the ultimate canvas for a host of lovely abstract expressionist pieces, offering a potent connection with the Riviera's famous artist residents. Breezy and very deliberately furnished, this home bursts with a sophisticated yet beachy persona. French doors and tall windows inundate the interiors with radiant light animating the glass console tables and scintillating silver decor detailing of the living room. Each corner of the estate resounds with deliberation and class, curating a delectable ambiance for spontaneous celebrations or lavish cocktail soirees. This home features a large reception and lounge area, offering unlimited sea views. An additional open-plan kitchen and formal dining space perfectly equipped for fourteen guests, promising fantastic epicurean experiences with loved ones. Villa Marina has six beautifully-designed bedrooms and five bathrooms. A full-service elevator presents the benchmark of Cannes highlife living.

This Cannes vacation rental offers breathtaking exteriors. From the large heated infinity pool jutting dramatically towards the horizon to the surrounding manicured garden, guests are presented with no shortage of vantage points to soak in enchanting sea views. A wealth of shaded and unshaded alfresco areas support fantastic evenings enveloped by the balmy sea breeze, the lights of Juan Les Pins refracted across the waters below.
