VILLA VICTORIA

SUPER CANNES, CANNES

Villa Victoria is a luxurious modern estate located on the hillside above Cannes. The area is considered a quiet residential neighborhood with a stunning panoramic view of the sea and Cap d'Antibes.

This gorgeous Mediterranean estate has been painstakingly renovated, fusing contemporary glamor and neoclassical elegance. Fabulous floor-to-ceiling windows and stunning mirror-clad pillars refract the natural light beautifully across ultra-sophisticated seating arrangements. The living room is sublime and with radiant monochrome white-themed pieces furnishings. Ornate friezing and a divine Renaissance sculpture replica figurine add a dash of old-world elegance. The kitchen is a haven for foodies and professional chefs with stainless steel top-of-the-line appliances. Eight stunning bedrooms present the peak of comfort and discretion for up to sixteen guests. Each of the private chambers is outfitted with gorgeous spa-inspired ensembles. An exceptional in-home spa and sauna offer guests a world of bodily bliss.

A perfectly architected swimming pool is at the center of the outside exteriors with front-row views before the expanse of the sea. The area is a perfect place for entertaining guests and friends and hosting cocktail parties. Lush foliage and a whimsical outdoor alfresco area abound in windswept bohemian charm, rounding off an exceptional luxury vacation estate.
