VILLA VICTORIA

SUPER CANNES, CANNES

Villa Victoria is a luxurious modern estate located on the hillside above Cannes. The area is considered a quiet residential neighborhood with a stunning panoramic view of the sea and Cap d'Antibes.

This gorgeous Mediterranean estate has been painstakingly renovated, fusing contemporary glamor and neoclassical elegance. Fabulous floor-to-ceiling windows and stunning mirror-clad pillars refract the natural light beautifully across ultra-sophisticated seating arrangements. The living room is sublime and with radiant monochrome white-themed pieces furnishings. Ornate friezing and a divine Renaissance sculpture replica figurine add a dash of old-world elegance. The kitchen is a haven for foodies and professional chefs with stainless steel top-of-the-line appliances. Eight stunning bedrooms present the peak of comfort and discretion for up to sixteen guests. Each of the private chambers is outfitted with gorgeous spa-inspired ensembles. An exceptional in-home spa and sauna offer guests a world of bodily bliss.

A perfectly architected swimming pool is at the center of the outside exteriors with front-row views before the expanse of the sea. The area is a perfect place for entertaining guests and friends and hosting cocktail parties. SUPER CANNES

Cannes is an exclusive paradise that has become the envy of the French Riviera. Spellbinding and glamorous, this city has become an alluring blend of Hollywood glitz and French refinement. Representing the epitome of the good life and modern-day high culture, this port city has been an esteemed destination for more than a century. Marvel at the ambrosial hillsides dotted by magnificent 19th-century villas and bask in its neoclassical grandeur. Cannes presents an unparalleled French "joie de vivre" and cosmopolitan vibe. Its renowned Walk of Fame, iconic Hotel Carlton, and golden sands have become synonymous with cinema royalty. Cannes may be to the postmodern era what Florence was to the Renaissance. Here, the world's hottest trends in fashion, cinema, and gastronomy converge in one luxurious resort town. The port sees an ever-growing fleet of super yachts and the picturesque La Croisette is one of the world's most coveted streets. Despite its opulent exterior, Cannes is steeped in history. A labyrinth of serpentine medieval alleys houses modern bistros and high-end galleries in Le Suquet. Featuring an irresistible cultural itinerary, delicious gastronomy, and breathtaking natural beauty, Cannes is a leader in the realm of exclusive living.
