VILLA VIRGINIA

MOUGINS, CANNES

Villa Virginia is an exquisite contemporary luxury rental nestled in the highly coveted surroundings of the picturesque Provencal village of Mouans-Sartoux. One of its most enchanting features is the breathtaking panoramic view it commands, showcasing the rolling hills that define the region. On an impressive 8000-square-foot lot, Villa Virginia ensures ample space for comfort and privacy, presenting the perfect oasis of tranquility and a hub for entertaining guests.

Villa Virginia's interiors embrace a sleek and contemporary aesthetic, with every detail carefully curated to offer a sense of elegance and refinement. The grand living area's double-height ceilings create an air of spaciousness, while the glass doors and oversized windows invite the splendid great estate into daily life. The central fireplace is a testament to innovation, with its three-sided design casting a warm and inviting glow that permeates the room. Amidst the pristine white walls, the carefully selected furniture adds a subtle but impactful pop of color, introducing a gorgeous contrast to the minimalist canvas. This Cannes luxury vacation rental's sleek dining area features a sophisticated wine cellar that adds an extra layer of luxury to a culinary journey. Villa Virginia offers spacious and thoughtfully designed accommodation for up to ten guests across its five inviting bedrooms. Among these, two bedrooms feature bunk beds with playful decor and cozy nooks, making them the perfect retreats for young ones to unwind and play. For those who prioritize health and well-being during their stay, a dedicated fitness room is thoughtfully included within these luxurious confines.

Villa Virginia's outdoor area is a true haven for relaxation and recreation, where guests can make the most of every moment, creating memories that will last a lifetime. The centerpiece of the stunning outdoors is the heated pool, which promises year-round enjoyment. To enhance the poolside experience, a fully equipped pool house is perfect for preparing refreshments, snacks, or even a full meal in the outdoor kitchen with a barbecue grill.
