VILLA CANOTEN

CANOUAN ESTATE, CANOUAN ISLAND

Villa Canoten is an exquisite estate belonging to the prestigious Canouan Estate collection. Effectively redefining the luxury Island retreat, this home combines traditional Caribbean aesthetics with an ethereal natural setting, commanding unmatched sea vistas from its hillside perch. World's away from the bustle of Barbados, this property invites guests to indulge in the otherworldly serenity and untouched tropical splendor of Canouan Island.

Positing a bold indoor-outdoor living philosophy, a cavernous great room presents the epitome of breezy Island living with retractable shutters dousing the interiors with unobstructed sea vistas. The interiors offer a masterwork of boho-chic aesthetics and exotic accents, rattan and wicker furnishings melding gorgeously with antique-style Balinese furnishings. Soaring vaulted ceilings accentuate a serene sense of verticality while shimmering travertine tiles instill a seamless continuity with the outdoor deck, accounting for a home totally at one with its surroundings. Canoten presents four sumptuous ensuite bedrooms accomodating eight guests in utmost style, comfort, and discretion. Configured with three in the primary residence and one bedroom in the guest cottage, the complex assures each guest the maximum sprawl space with private verandas looking over the shimmering Caribbean expanse.

Outside, this retreat offers spectacular wooden staircases navigating the hillside along with a gazebo fully outfitted for all-day recreation. A lovely sea view pool provides the ultimate respite from the afternoon heat, with alluring sunloungers smattering the generously sized terrace.

CANOUAN ISLAND

CANOUAN ESTATE

Canouan is a small island in the Caribbean archipelago nation of St. Vincent and the Grenadines. In its hilly interior, towering Mount Royal offers panoramic views from its summit. The island is known for its beaches, including Grand Bay Beach near the main town of Charlestown. South Glossy Bay has calm waters and views of the southern Grenadines. The beach at Windward Bay is dotted with volcanic rocks.
