## VILLA CARENAGE

CANOUAN ESTATE, CANOUAN ISLAND

Villa Carenage is an exquisite estate embraced by lush tropical foliage, lauded for its far-reaching sea views. Gorgeous undulating hills of the golf course unravel before guests with the shimmering expanse of the Caribbean in the distance. Guests may indulge in the otherworldly tranquility and serenity of some of the world's most remote corners, with Villa Carenage offering the finest luxury Island getaway experience.

West Indies' exoticism merges exceptionally with colonial elegance. A cavernous vaulted ceiling great room with gorgeous exposed beam accents instills the space with a unique sense of verticality and airiness. A retractable glass wall posits a bold indoor-outdoor living philosophy, an inviting seating arrangement extending seamlessly into the veranda-shaded lounge and dining areas. Marble and Moreno stone surfaces dazzle in the natural light, while richly varnished refurbished antique furnishings ground the space in a pastoral romanticism. An exceptional, fully equipped kitchen presents luxuriant stone countertops and workspaces, and top-of-the-line appliances, setting the scene for fantastic alfresco experiences. Four sumptuous ensuite bedrooms accommodate eight guests in comfort and style. All the suites are afforded air conditioning, double vanities, and private terraces for utmost convenience. Configured with a master and two guest bedrooms in the main house and a fourth in a guest cottage, Carenage maximizes discretion for each guest.

Ample-shaded and unshaded deck spaces present the very best in outdoor tropical living. Whimsical seating arrangements smatter the generous veranda space, while a lovely swimming pool juts over the verdant expanse of the links and the electrifying sea horizon in the distance.
