VILLA DOUBLE FIVE

CANOUAN ESTATE, CANOUAN ISLAND

Villa Double Five is an opulent property overlooking the lush landscape of The Grenadines Estate Golf Course and the soothing blue water of the Caribbean Sea. Belonging to the coveted Canouan Estate, this residence offers the pinnacle of Caribbean luxury living, enveloped by the otherworldly serenity of this remote Island destination.

Gloriously embedded in its lush hillside environs, Double Five flaunts a host of natural materials from wallaba shingles and adobe walls that impart an exotic flair. A cavernous great room teems with West Indies colonial prestige smattered with rattan and wicker accents and lovingly refurbished antique furnishings. Shimmering travertine floors curate an exceptional continuity with the expansive veranda and alfresco space, with interiors perpetually wafted by balmy trade winds. Double height vaulted ceilings impart a delectable sense of verticality, while sliding glass doors douse the interiors in majestic sea panoramas disrupting the distinction between indoor and outdoor luxury living. An intuitive floorplan navigates between a well-appointed kitchen, laundry, and service rooms. Double Five presents three sumptuous ensuites bedrooms configured between a main house and guest cottage, accomodating eight guests in utmost comfort and discretion.

Private terraces command outstanding tropical views, while extensive veranda and deck space beckon maximum interaction with the gorgeous natural environs. A serene swimming pool just out dramatically, as if to reach the electric blue sea horizon, making for some genuinely spectacular sunset scenes.

CANOUAN ISLAND

CANOUAN ESTATE

Canouan is a small island in the Caribbean archipelago nation of St. Vincent and the Grenadines. In its hilly interior, towering Mount Royal offers panoramic views from its summit. The island is known for its beaches, including Grand Bay Beach near the main town of Charlestown. South Glossy Bay has calm waters and views of the southern Grenadines. The beach at Windward Bay is dotted with volcanic rocks.
