VILLA IL SOGNO

CANOUAN ESTATE, CANOUAN ISLAND

Villa Il Sogno is a fabulous tropical Island getaway perched on a lush hilltop, commanding extraordinary bay views. Far-reaching sea views peer into a stunning distillation of Canouan Island's natural beauty, with far-reaching stretching to the Southern Grenadine Islands in the distance. Guests may indulge in the otherworldly serenity that is the hallmark of this exceptional ultra-remote Island destination.

Il Sogna posits a bold indoor-outdoor living philosophy with the living and dining room weaving imperceptible with the outdoor deck, veranda spaces, and bedroom pavilions. A glorious main pavilion presents a scintillating fusion of tropical romanticism and edge post-modern panache. Warm wood and rattan accents are the ultimate accompaniment to a host of saturated neo-expressionist prints and pop art, adding a delectable cosmopolitan edge to the interiors. Wide opening and retractable glass walls make up a permeable estate in harmony with its lush tropical environs. This incredible estate comprises five cottage suites totaling 1194 sq. ft, with a bedroom, bathroom, sitting room, and a large veranda, rounding off an idyllic escape for couples and families. Each cottage is outfitted with two televisions, a sound system, a desk with a telephone and wireless internet connection, a refrigerator, and a coffeemaker. Additional amenities include a lavish media room.

The Villa's sublime exteriors include a 59-foot infinity pool, sun deck, and two-story gazebo complete with a fully equipped outdoor bar and grill. Moreover, the gardens surrounding the Il Sogno property are second to none, with all-season blooming from the garden's diverse native and exotic flora.
