VILLAMIA

CANOUAN ESTATE, CANOUAN ISLAND

Villa Villamia is an exemplary residence, brimming with Caribbean exoticism and colonial elegance. Villamia's gorgeous hilltop perch commands ethereal Island panoramas where verdant undulating hills meet the great turquoise expanse of the sea.

Soaring vaulted ceilings are supported by artfully exposed beams in a gorgeous great room abounding with grandeur. Retractable stacked doors douse the interiors with majestic sea panoramas, disrupting the distinction between indoor and outdoor living. A delectable continuity is sustained with shimmering travertine floors incorporating the expansive veranda. Plush deep-seated sofas are garnished with whimsical throws doused in a warm palette of sand, terracotta, and wood. Serene wicker and rattan chairs curate timelessly elegant living spaces bolstered by gorgeous antique credenzas and console tables. The free-flowing space is ideal for lavish entertaining, a versatile three-seat counter a welcome addition to an open chef's kitchen outfitted with top-of-the-line SMEG appliances. An intuitive floor plan navigates through a media room and laundry facilities. Three exemplary ensuite bedrooms accommodate six guests in utmost comfort. These stately rooms feature classy four-post bedframes, deluxe linens, toiletries, and private verandas.

Flaunting a wealth of outstanding shaded and unshaded deck space, Villamia leaves no shortage of vantage points to take in the serene calm and technicolor verdure of the Grenadines estate golf course. A chic infinity pool takes full advantage of the views jutting out majestically towards the sea horizon.
