VILLA SEA LION

FRESNAYE, CAPE TOWN

Villa Sea Lion is a triumph of contemporary architecture and design, standing as the flagship luxury residence of Fresnaye. This glorious residence sits at the very edge of Lion's Head National Reserve, with unparalleled views of the Atlantic Ocean and Robben Island abounding from every room. An ultimate conduit to experience the supernatural beauty of Cape Town's surroundings, the charms of Villa Sea Lion reverberate internationally, having been featured in various major publications.

A master of impressions, guests enter through a stunning laser-cut steel and glass entrance, immediately immersing guests in an ethereal private garden. Sleek lines and crisp vertices sculpt dazzling multi-level common areas defined by an exceptional sense of openness and permeability with the exteriors. Echelons of floor-to-ceiling windows offer seamless interaction with the generous terraces, with ample sunlight illuminating a diversity of immaculate fittings and finishes. Vibrant contemporary interiors are embraced by textured granite, gorgeous walnut burl, and luxuriant precious stone finishes. A panoply of influences enchants with dashes of retrofuturism and warm earth tones, enhancing an idyllic vision of cosmopolitan refinement. Greg Wright's vision of fine living comes to pass with an impressive collection of globetrotting artworks spanning expressionist pieces, pop art, prints, and evocative abstract sculpture. The 'Black & Copper' kitchen boasts top-of-the-range appliances skillfully hidden behind beautiful joinery. A showstopping floating staircase navigates to four fantastic ensuite bedrooms that push the bounds of luxury residential living. Top-notch amenities include a wine cellar, a chic wet bar, a cinema room, a sauna, and a gym, covering the bases from recreation to degustation to rejuvenation.

Gargantuan sliding doors recess completely effacing the distinction between outdoor and indoor, seamless access to a lavish pool deck offering exceptional entertainment opportunities. Awe-inspiring ocean views and the rugged silhouette of Lions Head provide a gorgeous backdrop for sun lounging, socializing, or an authentic South African Braai enveloped by the South Atlantic breeze.
