VILLA FRANCESCA

CAPRI TOWN, CAPRI

Villa Francesca is an astounding Seaview estate brimming with historical intrigue and aristocratic refinement. Eternal 18th-century elegance is infused with twenty-first-century sensibilities in this enchanting Caprese residence, commanding larger-than-life vistas over Capri and Monte Solaro. Prestigiously poised along a romantic walking path overlooking Certosa di San Giacomo and Marina Piccola, Francesco commands the purest expression of Caprese natural beauty.

A master of impressions, guests are greeted with a gorgeous entrance hall replete with crystal lamps and a majestic Venetian mirror. Sublime whitewashed interiors dazzle with perfect arches appearing sculpted from meerschaum. Airy and spacious, the home brims with character while retaining a chic, uncluttered sensibility. Plush seating arrangements are adorned in Imperial shades of red, harkening to the home's dynastic past. Shimmering tile floors impart a delectable organicism to the luxury vacation estate, while a potent crimson motif proves a stunning conduit between past and present. From the opulent velour ottomans to the nostalgic floral-print wingback chairs and fine brocade details, each element of this vacation home is integral to a stunning aesthetic whole. A well-equipped gourmet kitchen flaunts rich veneered cabinetry, precious stone counters, and well-integrated appliances rounding off an ideal workspace for the culinary master. Regal burgundy wainscoting embellishes the formal dining area with gravitas and prestige. Three double and three twin sumptuous ensuit bedrooms at the villa accommodate up to twelve fortunate guests. Villa Francesca's highlights include an air-conditioned fitness room with a treadmill and stretching bar, complete with a full media unit to help keep the momentum going.

Romantic alfresco arrangements, a sauna and rooftop deck for stargazing, and a fire pit redefine Italianate luxury living. The lavish outdoors include a heated pool poised before majestic Gulf of Naples vistas. An outdoor grill and a classic Caprese-style oven ensure guests partake in a wondrous gastronomic tradition wafted by the balmy sea breeze.
