ANACAPRI, CAPRI

Villa Vanessa is one of the most beautiful and panoramic properties in the whole of Anacapri. It is a much-loved island home, filled with the fragrance of Capri's flowers and surrounded by the colors of the shimmering Mediterranean sea. This stunning, entirely white facade villa was entirely rebuilt and transformed into a modern and luxurious residence with utmost care.

The house is built in typical Mediterranean fashion, with bright, high ceilinged rooms furnished with comfy divans and antiques, massive sea view windows, and any number of sun-kissed terraces - designed to function as charming outdoor living and dining spaces. Elegant guest accommodation is provided in 5 bedrooms, all air conditioned and with their own private bathroom. On the first floor, there's a sitting room with satellite television and a large terrace. Villa's kitchen has everything you might possibly need to prepare a light snack, a leisurely lunch or even a full blown banquet.

The ground level terrace is partly shaded by a covered, stone arch portico, which is beautifully equipped for fresh, outdoor dining with a large, wood dining table. The marble floor terrace, which can also be accessed directly from the kitchen, offers great sea views among the propertiesÃ¢â‚¬â„¢ olive trees. The portico leads down to the garden towards the beautiful swimming pool.
